Re: Doncouse v. Anthropologie, Inc. et al.
Case No.: 15CV07446

Dear Judge Woods,

This office has been retained by defendant Anthropologie, Inc. (the “Company”) in connection with the above-referenced ADA public accommodation action. The Company’s time to respond to the complaint came due today. Accordingly, we respectfully write to request a 30-day extension to allow us time to investigate the matter and properly respond to the complaint. This is the Company’s first request for an extension. Plaintiff consents to the request. Given this request, we would also request that the initial case management conference scheduled for November 13, 2015 be adjourned until sometime shortly after the extended time to respond to the complaint.¹

Thank you for your consideration

Respectfully submit,

/S/ Bran Noonan
